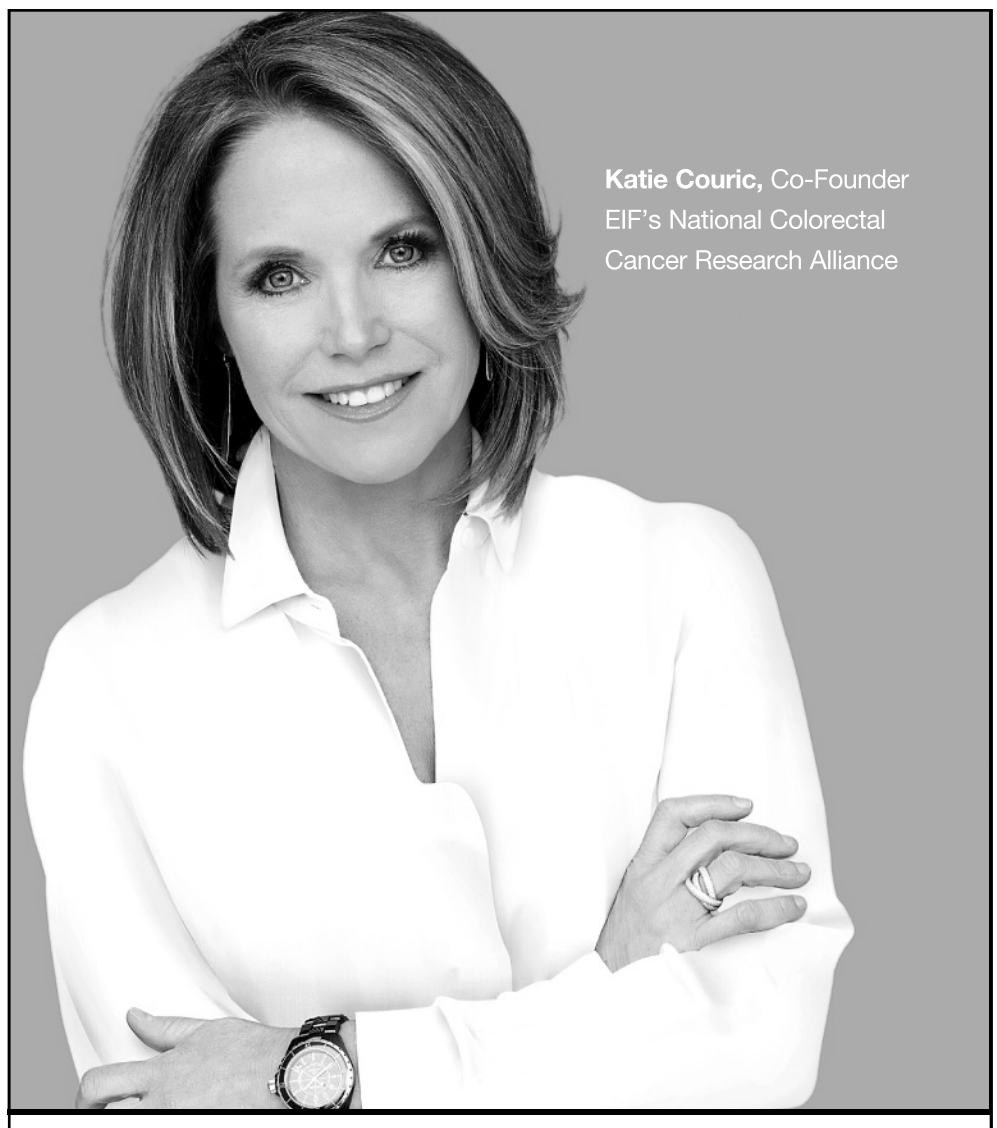
HONEYBEE hives & equipment for sale, pollination services, bee removals, beekeeping training by The Bee Whisperer. (207) 299-6948.



Really?

Did you know that of cancers affecting both men and women, colorectal cancer is the second leading cancer killer? But this is one cancer you can prevent.

Screening tests help find polyps so they can be removed before they turn into cancer.

So, if you're 50 or older, do everything you can to prevent colorectal cancer. Screening really does save lives!
