In Antonin Scalia, the arts had a passionate patron

BY SONNY BUNCH THE WASHINGTON POST

I was surprised at how hard the death of Justice Antonin Scalia hit me. The unexpected passing of the man who is almost indisputably the most important intellec-

tual figure **ESSAY** on the high

court in the past 30 years was a shock, for certain. As a man of the right, I am certainly apprehensive about what the court will do if his replacement is a liberal in the mold of President Barack Obama's appointees.

On a different level, though — I'm not sure if it's deeper or more superficial, to be entirely honest — I was sad to see someone who cared for the arts as much as he did leave the stage. The stories of he and Justice Ruth Bader Ginsburg setting aside their ideological differences to enjoy an evening at the opera (or a ride on an elephant) warmed the heart of your humble narrator, who has spent so much of his writing energies arguing that we shouldn't let politics dictate our relation-

Scalia was not merely a patron of, and inspiration for, the arts. He was also a committed and principled defender of the arts and freedom of expression. Throughout his body of work on the high court, court watchers saw him go to bat for the protections offered by the First Amendment.

Several commentators have noted with some surprise that Scalia, for instance, authored a resounding defense of violent video games, smacking down an effort by the state of California to prohibit their sale to minors without the permission of an adult.

"Like the protected books, plays, and movies that preceded them, video games communicate ideas even social messages through many familiar literary devices (such as characters, dialogue, plot, and music) and through features distinctive to the medium (such as the player's interaction with the virtual world)," Scalia noted in his 7-to-2 opinion in Brown v. Entertainment Merchants Association. "That suffices to confer First Amendment protection."

This is not to say that Scalia was himself a gamer. Far from it. He merely understood the principle behind treating art — any kind of art — as a legitimate form of expression worthy of First Amendment protection.

"Reading Dante is unquestionably more cultured and intellectually edifying than playing Mortal Kombat," he wrote in one of his many entertaining footnotes. "But these cultural and intellectual differences are not constitutional ones. Crudely violent video games, tawdry TV shows, and cheap novels and magazines are no

U.S. Associate Justice Antonin Scalia and his wife, Maureen, arrive for a State Dinner held at the White House in Washington in 2012. Scalia, who died last Friday, was known as a committed and principled defender of the arts and freedom of expression.

less forms of speech than 'The Divine Comedy,' and restrictions upon them must survive strict scruti-

During oral arguments for United States v. Stevens

— the case in which the Supreme Court ruled 8 to 1 that efforts to ban so-called "puppy crushing" videos were unconstitutional — we saw Scalia make a similar point. "Why couldn't Con-

gress, persuaded by these people say, you know, you can't have — cannot depict torture? You know, these horror films that come out around Halloween, you can't depict that anymore. What is the difference between that and what you have done

Again, the question is not one of aesthetic quality; I can't imagine Scalia was a particularly big Eli Roth aficionado. It's simply a question of principle, namely that the government should not be in the business of telling people what sort of speech is acceptable.

It's why he signed on to the court's decision in Hustler Magazine, Inc., v. Falwell that found Jerry Falwell had no grounds to sue "Hustler" for its filthy parody of him. It's why he pointedly stated during oral arguments in the flagburning case Texas v. Johnson that "we up to now have never allowed such an item to be declared a national symbol and to be usable symbolically only in one direction."

And it's why he backed overturning onerous antispeech regulations at the heart of the Bipartisan Campaign Reform Act. I have neither the space nor the inclination to re-litigate Citizens United v. Federal Election Commission in its entirety here. All I'd like to do is remind readers that, at the end of the day, the case involved efforts by the federal government to limit the distribution and advertisement of a political documentary ahead of an election. As Scalia noted in his concurrence, such an action would have been abhorrent to the Founders.

"The (First) Amendment is written in terms of 'speech,' not speakers. Its text offers no foothold for excluding any category of speaker, from single individuals to partnerships of individuals, to unincorporated associations of individuals, to incorporated associations of individuals and the dissent offers no evidence about the original meaning of the text to support any such exclusion. We are therefore simply left with the question whether the speech at issue in this case is 'speech' covered by the First Amendment. No one says otherwise. A documentary film critical of a potential Presidential candidate is core political speech, and its nature as such does not change simply because it was funded by a corporation," he wrote.

From Mortal Kombat to torture porn to perverted parodies to political documentaries, lovers of art and the First Amendment had few more principled defenders than Antonin Scalia. I'll miss him.

Things to Do

BANGOR and ELLS-WORTH - Bangor YMCA's Vegas to Camp adult prom has been postponed to 8 p.m. Saturday, Feb. 20, newly winterized Bangor YMCA Wilderness Center at Camp Jordan, 101 Camp Jordan Way, on Branch Lake. Open to people 21 and older, featuring DJ Disco, hors d'oeuvres buffet and cash bar in the center's King Dining Hall; doorto-door shuttle service by reservation. Tickets \$35 per person, \$50 per couple, \$250 for table of Tickets available in advance only at the Y, 17 Second St., Bangor, or online at www.BangorYMCA.org. All proceeds support Y programs and services.

BANGOR - Contradance with Ed Howe and Lincoln Meyers playing and Dugan Murphy calling, Friday, Feb. 19, Unitarian Universalist Church, 120 Park St. Beginners' session, 7:30 p.m.; dance, 8 p.m. Cost \$8 per person. 941-9727, bangorcontra. org or bangorcontra@ gmail.com.

BAR HARBOR - Verse Unleashed! Poetry Slam, 7 p.m. Friday, Feb. 19, Jesup Memorial Library, Open mic night in a fun and friendly atmosphere. 288-4245 or kchagnon@ jesuplibrary.org.

BAR HARBOR - Make faux-birch bark canoes and learn about the friendship between the young Franklin Roosevelt and Tomah Joseph, a Passamaquoddy birch bark artist and guide, 1 p.m. Saturday, Feb. 20, Jesup Memorial Library Children invited to bring an item reminding them of time they spent with a friend. 288-4245 or kchagnon@jesuplibrary.org.

BATH — Free admission for children ages 12 and younger with a paid adult during school vacation, through Feb. 20, at Maine Maritime Museum, 243 Washington St. Special morning of children's activities, 9:30-11:30 a.m. Thursday, Feb. 18. Alison Freeman performing sea shanties at 10 a.m., followed by movie "Around Cape Horn" at 11 a.m. www.MaineMaritimeMuseum.org; 443-1316.

BLUE HILL - Jessica Woiderski of Cultivating

Community, Jo Barrett of Land for Good and Erica Buswell of the Maine Farmland Trust talking about the collaborative efforts to help transition refugees and other immigrants from farming in their home countries to farming in Maine, 7 p.m. Thursday, Feb. 18, Halcvon Grange hall, 1157 Pleasant St., North Blue Hill. Free and open to all. Light refreshments provided. 326-9082.

BREWER - The Skyliners playing big band music for dancing, 7:30-9:30 p.m. Saturday, Feb. 20, Next Generation Theatre. 39 Center St. \$8. 989-7100.

BREWER - Bangor Singles Club dances, 8 p.m.-midnight Fridays, Brewer Eagles Club, 22 Atlantic Ave.: Prairie Dogs, Feb. 19; Wildwoods, Feb. 26. Marilyn, 827-5751.
