

OBITUARIES

MARILYN D. DOLAN

ENFIELD - Marilyn D. Dolan, 87, known by many as Beanie, passed away peacefully at a Bangor hospital, Friday July 8th surrounded by her loving family.

Marilyn was predeceased by her husband of 62 years, and leaves behind her brother Eben Dewitt and his wife Joanne of Milo; her 4 daughters, Jannifer O'Connor and husband Jay of Scarborough, Rebecca MacDonald and husband Paul of Enfield, Melanie Thompson and husband Matthew of Wales and Caroline Fontaine and husband Michael of Old Orchard Beach; four grandchildren, Sgt. Christopher Samiya and his wife Jamiee; and her 3 great grandchildren, of Compton N.H, Benjamin O'Connor of Boston MA, Colin O'Connor of Portland and Sean O'Connor of Scarborough. Marilyn also leaves behind five loved niece and nephews and their family's; Jeff and Diane Steves of California, Tom and Aoy Steves of N.C., Joanne and Greg Sims of Texas, David Hamlin of Provincetown, MA, Dick And Dede Dewitt of Milo.

Marilyn was born April 29, 1929 in Milo to Fred Dewitt and Della Gould Dewitt. After high school she attended Husson College and graduated in 1948 with an Associate's Degree in Business. She began working for Bangor Hydro Electric Co. and often reflected on the fond memories that she had of the interesting places and people she met while working in Downeast Maine. It was in Machias that she met her husband to be Charles Dolan. They were married in 1955 and resided in Lincoln and together were very active in their community. Charles and Marilyn became lifelong members of the First Congregational Church. Marilyn was a homemaker and devoted her time to raising four daughters. In 1957 they purchased a camp on Cold Stream Pond, Enfield and spent summers there with family. When their daughters were grown Marilyn opened the Back Door Gift Shop on West Broadway in Lincoln. This gave her the opportunity to meet many people and to create lifelong friendships. After 18 years of owning the business Charles and Mari-

lyn retired and moved to the lake. There they spent many wonderful years together gardening, hosting family gatherings, enjoying "Jam" sessions at the local Grange and traveling. When Charles sadly passed away in 2008, Marilyn became more involved in the community of Enfield. She was a devoted member and Past Master of the Amadamast Grange. Marilyn found joy in the fellowship of the Grange and spent much of her time planning events, cooking and decorating the hall for the many functions. Marilyn was very proud to be a member of the Grange. Even at the age of 86 she remained active in maintaining her home and her gardens, playing the piano, knitting and conversing about current affairs. Marilyn was an accomplished quilter, and enjoyed the camaraderie of her weekly quilting class. Every family member and many friends can now find comfort in one of the beautiful quilts she created.

It was Marilyn's wish to thank those that sent cards, flowers and stopped in for visits after her stroke in March. This support gave her the strength to recover so that she was able to return to the lake to enjoy her last months. Marilyn was deeply touched by the outpouring of support and love shown to her. Marilyn's family is grateful for the caring ladies that spent time at night with her and for the Community Health nurses and therapists.

Visitation will be from 11am-2pm Saturday July 16th at Clay Funeral Home, 7 Lee Rd., Lincoln. A graveside service will be held 1pm Saturday, August 6th at Evergreen Cemetery, Park St., Milo followed by a celebration of life gathering at the Enfield Grange starting at 3:00pm. If wished in lieu of flowers, donations may be made to the House in the Woods military and family retreat of Lee, Maine which was close to our mother's heart or her beloved Amadamast Grange of Enfield in memory of Marilyn. STANLEY 'CAPPY' SARGENT

MILBRIDGE - Stanley "Cappy" Sargent, 51, unexpectedly passed away on July 2, 2016, surrounded by his family at Maine Coast Memorial Hospital. Cappy Sargent was a lifelong commercial fisherman, devoted family man, and good friend. He touched many lives and was the kind of person you were glad to have known.

Named Stanley at birth by his parents, his nickname "Cappy" was granted as his infant demands for food rivaled barking orders made by a ship's captain. He spent his early life growing up in a lobster fishing household in Bernard, Maine. Fisherman around the harbor took early notice of Cappy's interest in boats, his love of being on the water, and his determination to one day be a fisherman himself. Cappy was a teenager when the Sargent family moved to Stonington. With it's expansive ground-fishing, scalloping and lobster fishing fleets, this close-knit island community was an ideal environment for nurturing the young fisherman. Armed with an outboard boat for hand-hauling his lobster traps and taking himself clamming, paired with a crew position aboard his father's gillnetter, Cappy learned the ocean and its extensive lessons from every fishing industry possible. His own instincts for hard work and humility, in addition to these vast fishing experiences, shaped the well-respected adult he became. A few years after graduating from Deer-Isle Stonington High School in 1983, Cappy began building his first scalloping boat, a 42 ft. Duffy named Gale Warnings. In 1986, while building his boat at H&H Marine in Steuben, Cappy met his wife Tina. In 1990 they were married and moved to Milbridge. Tina and Cappy had three children, and over the following years Cappy was heavily in-

volved in several fisheries, including ground fishing, urchin harvesting, scalloping and lobster fishing. In 2004 he purchased a 42 ft. Westmac, named Gale Warnings II, to further his venture of offshore lobster fishing, which he continued up until his death. In addition to his legendary work ethic, Cappy was known for his skill, meticulous care of his boats and gear, honest nature, and willingness to share and help out. To his final days, he still kept up his very first outboard steury boat he had in Stonington, which was used to skiff out to his lobster boat. Cappy always took time to be a thoughtful advocate for the fishing industry in the management arena as well. He valued friendships, attended the annual Maine Fishermen's Forum to stay in touch with people, and regularly hauled out at Billings Diesel & Marine in Stonington, a community where he always had a connection. Most of all, Cappy cherished his family. Tina, his true partner and shore support for the fishing business was his devoted wife of 26 years. He passed on his love of the ocean to his three children, Michael, Whitney and William, who all apprenticed under Cappy to earn their own lobster fishing licenses and ultimately purchase their own lobster boats. His humble advice, hard working attitude and giving nature will be missed by all.

He is survived by his wife, three children; his sister, Sara Channel of Sedgwick; and his parents, Jean Ford of Blue Hill and Bill Sargent of Deer Isle.

A funeral service will be held at Narraguagus High School, 1611 Main St., Harrington, on Saturday, July 16, at noon. All are welcome to attend. In lieu of flowers, please pay a kindness forward - brighten someone's day, as Cappy would do.
