

OBITUARIES

ANDREW CHARLES FARLEY

WOODLAND - Andrew Charles Farley, 19, passed away September 22, 2016, and was granted his angel wings after a strong and courageous battle with a life-long illness. His final days were spent surrounded by family and friends that loved him dearly.

"Andy Bear" as he was affectionately known was born on April 4, 1997, in Caribou the son of Albert and Nicole (Hersey) Farley. Andy's life would seem too short to many, but those who were touched by him understood that the quality of existence far exceeds the quantity of time in which one lives. His mischievous smile and contagious belly laugh would bring joy to everyone around him. Though he never spoke a word, his voice and thoughts could always be heard. Although Andy's illness made his life very difficult, he possessed great strength, perseverance, and an ability to overcome incredible odds and physical challenges. With his courage, he led us to believe that each day is a blessing and an opportunity to create lasting memories.

He enjoyed playing with his stuffed animal "Bear," watching his favorite TV shows, such as the Dukes of Hazard, Sponge Bob, and he especially loved Disney Movies. He also loved attending special programs with his special friend Marilyn "Mare." He spent many summer days at Cross Lake with his family, where he loved to play in the sand box, fishing, sitting by the campfire, and boat rides. He along with his family also enjoyed camping trips to Bar Harbor and New Hampshire. They also were able to travel to Disney World through the Make a Wish Foundation that created many lifelong memories for all. With Andy's passing we remind others that his life is one to be celebrated. Although we will miss him every day, especially his smile and mischievous laugh. He will forever remain in our hearts. Through his teachings about life, we were able to create wonderful memories and it has been a privilege to be his parents. We are so thankful for the support of family, friends, coworkers and all.

Andy's life was extended because of his loving family, the wonderful nurses at the Caribou Rehab and Nursing Center, Dr. Carl Flynn, teachers and staff at the Woodland School, and the Caribou Fire and Ambulance. There is a special place in our hearts for Andy's "Meme" Verna Espling whom he loved dearly. There are many others, too numerous to mention, who provided Andy with love and gave him dignity in his life and also in his death. For this we will be forever grateful.

There once was a man from Stillwater,

Catching fish in the sun,

Horse pulls at the fair he did love,

His grandkids he was real proud of,

His Jeeps were top rate,

And Budweiser he never ran out of.

At Sargent's he dispatched the big trucks,

His Farmall tractor he considered deluxe,

Remote control in hand,

Was a BIG Giants fan,

Saving a life on his sled was pure luck.

Call him Don, Daddy Don or Donny,

His sense of humor most friends found quite funny,

Loved his family and friends

Until the very end,

It was great to be a part of his journey.
