Public Works Director - Town of Farmington, Maine

The Town of Farmington (population 7,760) seeks a Public Works Director to manage a department consisting of ten full-time and two part-time employees and to be an integral member of the Farmington employee work team. This position requires supervisory, administrative, and professional knowledge, skills, and abilities in planning, budgeting, organizing, directing, and supervising the Public Works Department. Departmental responsibilities include road and street maintenance and construction, storm drainage, recycling and waste management, and other related duties typical to the operation of a public works department. A degree in Civil Engineering is desirable, but other relevant education and experience will be considered.

The successful candidate will be professional, energetic, self-motivated, and willing to work irregular hours. The Public Works Director must reside within 30 minutes of the Farmington Municipal Garage in order to be available for snow plowing and to respond to emergency situations.

Minimum qualifications include five years of construction experience, two years experience in equipment operation, including loader, grader, and backhoe, five years of supervisory experience in a management position, and formal training in personnel management. Applicants must have computer experience including Outlook, MS Word and excel spreadsheet, be familiar with municipal budgetary processes, and be experienced in long-range capital planning, preparation of bid specifications, purchasing procedures, inventory management, waste disposal operations, and recycling. Other qualifications include the ability to communicate effectively, both orally and in writing, with employees, consultants, other governmental agencies, municipal officials, and the general public. Familiarity with FEMA reimbursement procedures is required. Participation in the work of committees aimed at improving the area's transportation systems is also required. The position requires, at a minimum, a Class B CDL, and is subject to pre-employment and random drug and alcohol testing. Experience in grant writing and administration as well as wastewater treatment operations is desirable.

The salary range for this position is \$58,000 to \$64,000, depending on qualifications. The starting date will be November 30, 2015.

Applicants should submit a letter of interest and resume by Friday, September 25, 2015 to:

Public Works Director Search,
Town of Farmington, 153 Farmington Falls Road, Farmington, ME 04938.
