Bucksport Regional

HEALTH CENTER

The Bucksport Regional Health Center has an immediate opening in our clinical practice to serve patients across the lifespan in a community-based setting. The Bucksport Regional Health Center is a community-based, board-governed, and federally-qualified primary care facility offering easy access to quality, affordable care for persons of all ages since 1974.

Come and grow with our team of professional caregivers.

RN MANAGER - POPULATION HEALTH AND QUALITY IMPROVEMENT

This new position will be responsible for Population Health Management, including full integration among the services of medical clinic, behavioral health clinic and the dental clinic, and provide clinical guidance to the Quality Improvement program. The RN Care Coordinators will report to this position. Additional duties will include: providing training and ongoing education on the management of population health; interacting with the ACO program, providing both quality and population health management information; providing reports on Population Health Management and other metrics; working as a member of the Quality Improvement Team, in strong concert with the Medical Director, to provide clinical guidance and chart reviews, and recommending models for improved care coordination. Candidates for this position must have a Bachelor's of Science Degree in Nursing, at least one year of experience working in a population health management role, and 3-5 years of supervisory experience.

Applicants should apply with a resume and cover letter via email to:
Elizabeth Brunelle, Chief Operations Officer
ebunelle@brhc.info
110 Broadway, Bucksport, ME 04416
