Education

Mechanized Logging Operations Program Coordinator

(Anticipated Opening)

The ideal candidate will have experience with a variety of timber harvesting technology including operation of current harvesting equipment, GPS expertise, and routine diagnostic/maintenance tools. Leadership experience with forest management techniques, safety and training experience is required. Experience in project/course planning, organization and implementation; ability to effectively communicate both verbally and in written documents; and superior computer skills essential. Associate degree or higher academic credential desired.

This grant-funded position will assist in the implementation of a recently established training program at Northern Maine Community College, Washington County Community College and Eastern Maine Community College to produce professional equipment operators who will work in commercial mechanical forest operations. The successful candidate will also function as lead instructor for the course and serve as a connection between the forest industry and the Community Colleges. It is expected that this training will be offered in several locations throughout the State of Maine; occasional travel will be required of the successful candidate.

Application review will begin immediately and continue until the position is filled. For consideration, please submit cover letter, resume and names of three references to:

Leah Buck, Assistant Dean of Continuing Education
Northern Maine Community College
33 Edgemont Drive
Presque Isle, ME 04769

Bangor Daily News Policy Regarding Help Wanted Display

Help wanted display ads containing no logos, artwork or special composition are accepted as a courtesy service until 12 noon for the following day's publication (1 p.m. On Wednesday for Saturday's publication). This fast service is offered to enable the advertiser to find the help needed as quickly as possible.

These ads, however, are not within our display deadline policy (4 full days prior to publication.) In rendering this courtesy service to advertisers, errors are occasionally made. In the event of an error, a correction will be made in the ad for the following day, if the ad in question is scheduled to run again. ONLY THE CORRECTION will be made. No credit adjustments, reruns or charge-offs will be authorized or issued. The Bangor Daily News will not be responsible for any errors in these short notice advertisements.

Sales Help Wanted Ads

Advertisements for sales help MUST state the type of product or the service to be sold. A name which indicates the nature of the product is acceptable. When based on commission NO statement of the dollar amount that may be earned is acceptable.
