Commercial Loan Analyst/Loan Assistant

Maine Savings Federal Credit Union

We have an immediate opening for an experienced Commercial Loan Analyst/Loan Assistant in our Hampden office. This is an excellent opportunity for a business professional ready to join an outstanding organization.

This position is responsible for all aspects of the commercial loan application and servicing process including the preparation of loan documentation. This position is accountable for resolving potential problems in loan processing in order to expedite the delivery of service to credit union investors and their customers. Interacting with internal and external parties to maintain a positive work environment and improve communications is a key role in this position.

In addition to over two years of experience with a leading financial institution working in a similar role, the successful candidate must have comprehensive knowledge of commercial loan processing, closing, and funding.

A Bachelor's degree in Business is preferred but we will consider candidates with successful work experience in this field. Proficiency in Microsoft Word, Excel and other MS Office applications is preferred.

This position includes a comprehensive and competitive benefits package and an excellent base salary.

Qualified applicants should send a cover letter and resume in confidence by October 5, 2015 to:

Senior Vice President of Human Resources
