Preview: Fri-Sun., March 11-13, 9am-5 pm,

Over the years, Julia's has established itself as the foremost auction company in the world for high-end, expensive firearms. No other auction house on the planet sells more high-end, expensive firearms than Julia's. However, over the years, many of our customers have asked us about considering more moderately priced firearms also. Our October 2015 auction featured the inception of a special session which is referred to as our Sporting & Collector Firearms Auction which will take place preceding each Extraordinary Firearms Auction. In this specific session we will offer firearms in the general value range of \$2,000-8,000+. Our first such sale was October 2015 and proved to be a tremendous success both for our consignors and for our buyers. It stimulated a tremendous amount of interest and strong prices and we are very excited about this new session. Collectors and heirs have also found Julia's to be the go-to place for quality auctions. In recent years, we have handled more old, iconic, and important firearms collections than any other auction house extant. Our March 2016 auction is no exception. Some of the wonderful collections to be included are: **The Don & Kathlee Bryan Collection of Confederate Revolvers** - The finest Confederate revolver collection ever assembled; **The Esteemed Paul Tudor Jones II Collection of Rare Colts and Winchester's**; **The Steve Ardia Collection of Outstanding Colts**.
