### American Folk Festival on the Bangor Waterfront

It's a big year for the American Folk Festival on the Bangor Waterfront as the world class event, taking place on the banks of Bangor's Penobscot River, celebrates its 15th year. Musicians representing a colorful array of world traditions will perform, lots of fantastic food will be served, and plenty of shopping and people-watching is there to be enjoyed. This year's festival is set for Aug. 26-28; for information, visit [americanfolkfestival.com](http://americanfolkfestival.com).
