

BANGOR YMCA DAY CAMP TO GIVE KIDS THE BEST SUMMER EVER!

The Bangor YMCA Camp G. Peirce Webber has been a long-standing Day Camp providing youth with wonderful programs that have built friendships and created memories that last a lifetime. Just like in our Y-Works Before/After School program, we continue our partnership with parents/guardians to ensure their child is safe and staying active during the summer while they are at work providing for their family.

Sitting on 55 beautiful acres in Hampden on the Souadabscook Stream, our Day Camp provides so many fun options for youth entering Kindergarten through 8th grade to explore, including a NEW low ropes course, hiking trails, drama and music, archery, sports, a 300-foot zip line, swimming, and more. Every camper will also receive swim lessons three times a week from certified instructors in our in-ground pool; continuing our commitment to make sure every child in the community has the opportunity to learn how to swim.

Youth entering 6th through 10th Grade have the opportunity to explore Maine with

The Bangor YMCA Camp G. Peirce Webber's Adventure Week program. Each week, campers will go on three unique trips: an educational trip, an adventure trip, and a visit to The Bangor YMCA Wilderness Center at Camp Jordan, the Y's camp located on the shores of Branch Lake in Ellsworth. Trips vary each week and include Acadia Fun Park, Hiking trips, Fort Knox, and more exciting opportunities to explore Maine! Two days out of the week, campers stay at Camp G. Peirce Webber engaged in a wide range of activities designed to help build upon their leadership skills.

"We're not just a camp," says Kristin Parker, Camp G. Peirce Webber director. "We're a group of mentors and role models who want to help youth in our community try new things, gain self-confidence, learn new skills, and make lasting friendships."
