mid-May through October.

Springvale Farm Walk

9 a.m. to 2 p.m. • Sunday July 24, 2016

Walk through an unfolding pastoral landscape and experience a microcosm of Maine agriculture.

Springvale Farm Walk offers more agricultural variety in a compact area than anyplace else in Maine. Featured farms raise sheep, beef cattle, Christmas trees, mushrooms, vegetables, berries, and apples. They also make cheese, bottle hard cider and make maple syrup.

The 4-mile, self-guided walk proceeds through fields, pastures, orchards and woods. The well-marked path generally follows gentle terrain. There are a few rough spots, but certainly walkable by children. Sturdy shoes are recommended. We welcome dogs on leashes and owners who pick up after them.

A pancake breakfast is available from 8 to 9 a.m. at McDougal Orchards. Each farm along the way serves a complimentary refreshing drink. A few of the farms also sell produce and prepared food.

This event is held rain or shine.

Parking and a shuttle service is available
